

Instructions for Third-Party Authorization

Dear California Resident:

Before we can fulfill a personal information access or deletion request made by a third party on behalf of a California resident, the California Consumer Privacy Act (CCPA) requires us to obtain evidence that you authorize the third party to make the request on your behalf. In order to authorize a third party to make a personal information access or deletion request on your behalf, please complete this Third-Party Authorization.

Completing each line on the declaration with accurate information is required.

The steps are:

- Line 4 - fill in your email address for information or questions to you about this request.
- Line 5 - fill in the third party's name you are authorizing to make this request on your behalf (Authorized Third Party).
- Line 6 - fill in the email address of the third party you are authorizing to make the request on your behalf.
- Line 7 - insert the Case Number if you were given one (either by email or from the Call Center)
- You must indicate which email address you request the report be sent to. You may only select one address.
- You must sign the Declaration in front of a notary. The notary will ask for evidence of your identity in order to complete the attached Notary Acknowledgment. Your bank or credit union may offer free notary services.
- Once notarized, scan the completed document (the Declaration and Notary Acknowledgment) and email it to info@gligit.com.
